Omschrijving

Slim & Uni-body

Embrace the artistry of Streamlined Uni-body design

With its metallic bezel-less design and built-in stiffener, TCL P755 is 14% thinner than ever, effortlessly integrates into any environment, turning your home into a captivating masterpiece. Experience the perfect fusion of art and technology.

OUTSTANDING PICTURE QUALITY

4K UHD + HDR 10+

See details in a detail

High Dynamic Range (HDR), the latest standard for UHD contents, provides a superior experience with striking brightness, exceptional shadow details and vivid colors. Sit still and enjoy incredible picture details as the film makers intended.

Wide Color Gamut

More than a billion colors

What lies in front of you is a TV that can illustrate a wider palette of color up to 93% gamut under the DCI-P3 standard. Just like when you see through a kaleidoscope to witness the world of color.

AiPQ™ PROCESSOR

A beautiful mind

AiPQ Engine enabled TCL algorithm processes contents with stable and high quality 4K. Meanwhile, game accelerator technology gives you a smoother gaming experience with up to 120Hz refresh rate. Now it's time to enjoy an authentic movie or game night.

Ai-Clarity recognizes the image in every detail. It analyzes images based on their original resolution and displays the ultimate crystal-clear visual results in low-resolution upscaling and accurate noise reduction.

Dolby Vision

Unveil an immersive scene

Picture yourself sitting at a theatre and watching the curtains rise as actors enter the stage. With Dolby Vision, you can experience a spellbinding scene right in front of you. You will feel as if you are in a theater rather than just watching it at home.

MEMC

Never miss a detail in fast moving action

MEMC algorithm reduces motion display blur, deducts image tearing and guarantees a silky smooth scene.

T-SCREEN

Outstanding details on TCL screens

T-SCREEN brings 3x contrast Enhancement, 16% reduction in energy consumption and 178° viewing Angle.

Multiple Eye Care

Ready for a long journey

With a series of eye care technologies such as low blue light, natural light optimization, motion compensation, flicker free, etc., TCL P755 continues to protect your eye health. All you need to do is to enjoy movie the game.

TÜV Low Blue Light

Comfort your eyes

TCL P755 has been certified as a low blue light hardware solution by TÜV Rheinland. Feel free to dive into a movie marathon on a cozy night without dry eyes or eye fatigue. Your eyesight is always protected.

SOUND BEYOND EXPECTATIONS

Dolby Atmos

Theatrical sound enjoyment

Dolby Atmos transcends conventional channel limitations to deliver three-dimensional audio. You can experience astounding clarity, increased emotional impact, and immersive, room-filling sound.

DTS Virtual:X DTS-HD

Virtualized 3D sound

DTS-HD and DTS® Virtual:X™ makes enveloping sound that appears to emerge above, beside, and behind you, providing an immersive experience in any room.

120Hz Game Accelerator

Unbearable latency, no need to endure

Latency can be disappointing especially for game enthusiasts. Leveraging from TCL's latest technology of game accelerator, content auto-adjust function brings a higher refresh rate and a super low latency than ever before. A much smoother gaming experience is at your fingertip.

Gaming in Dolby Vision

TCL Home

Control your TCL devices in a

smart way

The WiFi-enabled appliances from TCL utilize the powerful controls on your smartphone to give your home comfort appliances access to a whole new realm of functionality.

Access every bit of detail

You will always be viewing the best possible image with Gaming in Dolby Vision, allowing you to access every bit of detail and depth the game has to offer. Enhance your visuals and discover more of the game when you play in Dolby.

Game Master

Embrace the win

Experience next-level gaming with the best elevating technology in action. Unlock advanced display and audio technology, try smoother streaming with TCL Game Master.
