Omschrijving

INCOMPARABLE PICTURE QUALITY

QLED PRO

Vivid visuals, Lifelike colors

Immerse yourself in a kaleidoscope of colors, where every shade comes to life with unmatched brilliance and depth.

95% DCI-P3

Utilizing Quantum Dot technology, it unveils over 1,000,000,000 hues of vibrant and precise colors, providing up to 95% color gamut according to DCI-P3 standard. It brings digital environments to life in ways previously unimaginable.

AiPQ PRO PROCESSOR

It perceives, it thinks, it produces

This is an AI picture quality processor that perceives and thinks like a clever mind to capture every detail in the real world into its rich database and to perform simulation and optimization based on human recognition. It finally reproduces visual outputs based on vibrant color, excellent contrast, and crystal clarity as you see in the natural world.

T-SCREEN PRO

Higher contrast, more details

With innovative technology, TCL self-developed T-SCREEN PRO effectively emphasizes stronger and more accurate contrast while removing image halo and ambient light interference, presenting a clearer and more detailed stunning picture quality.

HDR Brightness

Bright and brilliant

Even in midsummer when the sun shines into the room, you still can see clear pictures with vivid colors. Enjoy the details hidden in the sunny or shadowy scene.

HDR 10+

See details in a detail

High Dynamic Range (HDR), the latest standard for UHD contents, provides a superior experience with striking brightness, exceptional shadow details and vivid colors. Sit still and enjoy incredible picture details as the film makers intended.

Dolby Vision

Unveil an immersive scene

Picture yourself sitting at a theatre and watching the curtains rise as actors enter the stage.

With Dolby Vision, you can experience a spellbinding scene right in front of you. You will feel as if you are in a theater rather than just watching it at home.

MEMC

Never miss a detail in fast moving action

MEMC algorithm reduces motion display blur, deducts image tearing and guarantees a silky smooth scene.

Multiple Eye Care

Ready for a long journey

With a series of eye care technologies such as low blue light, natural light optimization, motion compensation, flicker free, etc., TCL C655 continues to protect your eye health. All you need to do is to enjoy movies and games.

ONKYO 2.1ch with Subwoofer

Enchanting home theater experience

TCL C655 combines the power of ONKYO's 2.1 CH Hi-Fi. Immerse yourself in the captivating stereo sound and thunderous bass, capturing every detail as if you were at a live band performance. Elevate your home theater experience with unparalleled audio excellence.

DTS Virtual:X DTS-HD

Virtualized 3D sound

DTS-HD and DTS® Virtual:X™ makes enveloping sound that appears to emerge above, beside, and behind you, providing an immersive experience in any room.

Dolby Atmos

Theatrical sound enjoyment

Dolby Atmos transcends conventional channel limitations to deliver three-dimensional audio. You can experience astounding clarity, increased emotional impact, and immersive, room-filling sound.

SIMPLE AND ELEGANT

Slim & Uni-body

Embrace the artistry of uni-body design

With its metallic bezel-less design, TCL C655 effortlessly integrates into any environment, turning your home into a captivating masterpiece. Experience the perfect fusion of art and technology.

EXCEPTIONAL GAMING

Game Master

No tearing. No stuttering. Just gaming

Experience next-level gaming with the best elevating technology in action. Unlock advanced display and audio technology, try smoother streaming with TCL Game Master.

120Hz Game Accelerator

Latency can be disappointing especially for game enthusiasts. Leveraging from TCL's latest technology of game accelerator, content auto-adjust function brings a higher refresh rate and a super low latency than ever before. A much smoother gaming experience is at your fingertip.

Game Picture Mode

Choose your preferred picture mode from the original, FPV, and RPG in Game Bar, and indulge yourself in an immersive gaming experience.

TCL Home

Control your TCL devices in a smart way

The WiFi-enabled appliances from TCL utilize the powerful controls on your smartphone to give your home comfort appliances access to a whole new realm of functionality.
